East Hampton, Events, News, South Fork

I would like to share with you a noteworthy event that will be happening on Thursday, July 3rd at Georgica Restaurant and Lounge in East Hampton. The Voss Foundation will be hosting their 2nd annual Clean Water Benefit to help bring clean water to communities in need in Sub-Saharan Africa. The event will be hosted by Victoria's Secret model Vita Sidorkina and Blue Blood's actress Sami Gayle.

I will be in attendance and am looking forward to this dinner. The cocktail reception begins at 8pm, followed by a sit-down dinner at 9pm, and lastly, the after-party begins at 11pm.

Tickets start at \$200 for a table for two or at \$100 per person.

For more information about the event and the foundation, including how to purchase tickets, please visit:
