Normally, the more prominent Hamptons fundraisers happen on Saturdays during the summer, but with the Fourth of July landing on a Friday this year, **Georgica** in Wainscott will be making the unusual move of throwing a buzzworthy gala midweek instead.

While weekends are usually favorable for those who attend the upscale charitable events that fill the East End's social calendar in June, July and August – allowing for partying on Saturdays and relaxing on Sundays – as it turns out, many people will likely be off from work on Friday, July 4, for the holiday, which should give Georgica's annual "**Clean Water Benefit**" a chance to be especially successful, despite taking place on Thursday, July 3.

Well-known as a perennial stop to spot famous faces, Georgica will once again live up to that reputation as the evening's hosts will be model **Vita Sidorkina** and co-star of the CBS show "Blue Bloods" **Sami Gayle**. It kicks off at 8 p.m. with a cocktail reception, to be followed by a 9 p.m. three-course dinner and a live performance from country music duo **American Young**.

Tickets are available in advance for \$100 per person (which will also include a gift bag and access to the after-party featuring celebrity DJ **Lee Kalt**), with proceeds benefiting the **Voss Foundation**, a 501(c)(3) public charity working to provide clean water and hygienic conditions for communities in sub-Saharan Africa. For purchase, donation and more information, visit [vossfoundation.org](http://vossfoundation.org).
